## Week fifteen

15

A very short week, but exciting and busy nonetheless. I can't tell you how impressed I am with the children. They have returned to school with enthusiasm and eagerness. I do hope you all had a great break, even if covid caused some hassle here or there. Please continue to be mindful and make sure you read the letter I sent out to parents on Wednesday.

Applications to apply for our school, ready for September 2022 closes on the 15th Jan. If you know of any families who have children that turn aged 4 before the new academic year, please do make them aware. The more the school reaches its maximum capacity, the more funding we get as a school which maximises the opportunities that we can offer our children.

Currently, all of our after school clubs have available spaces. Please call the office for more information. Our term dates for next year has been sent to families and is on our website. Please do not book holidays during school time.

Have a peaceful weekend. I look forward to seeing you all on Monday for our first full week back of the Spring term.

# notices and reminders...

## READING REWARDS

All children in Year 1 and 2 were issued with a voucher for Gravity Force before our Christmas break, allowing entry at a 50% discount. They must read 10 books, parents sign the voucher every day of reading. Once they reach ten, the voucher can be used

Dear Crawley Ridge Infant School,

The gift of this year's Harvest Festival food from Crawley Ridge Infant's school was gratefully received by the club and made a significant contribution to our stockpile for the annual Christmas hamper distribution project for local families and individuals in need. On behalf of Camberley Rotary club, may I therefore thank you and the children and parents of Crawley Ridge Infant's for your generous donation, which was truly appreciated.

The pandemic has definitely created a growing need in community assistance for many people and this year we received nominations for 94 food hampers - the greatest number during my twelve year involvement. We are pleased at having been able to meet this demand which would have been impossible for us to do without your participation and that of other like-minded partners.

Thank you, once again for your support.

With best wishes for Christmas and a happy and healthy 2022.

Derek Kearnes  
On behalf of The Rotary Club of Camberley

THANK YOU

Your child should not come into school if they have any of the following symptoms, or feel unwell:

HIGH TEMPERATURE	NEW PERSISTENT COUGH	LOSS OF SMELL	LOSS OF TASTE
