

The Infant Informative

Friday 10th September 2021

Issue 01

Pic of the week!

Reception splashing around!

This week...

- Reception have been learning school routines, making new friends and had their first lunch in school. They are enjoying exploring the classrooms and outside areas.
- Year 1 have been focusing on forming numbers 0-5 correctly, counting and representing objects and writing a note from space.
- Year 2 have begun to find out about medieval castles and we have been exploring value (the value of each digit) in numbers up to 20 in Maths.

Reminders

- On forest school days, children should wear leggings/jogging bottoms (and the rest of their uniform) and bring in old trainers/wellies. Dates are on our school website calendar.
- On PE days children should wear their PE kit including trainers.
- Please read all emails sent via ParentMail.

What a start

Firstly, a massive thank you to all children, parents and the staff at CRI for making me feel so welcome over the last week or so. Your kind words, patience and flexibility has not gone unnoticed.

Now for the important part, the children! WOW! I am so impressed with how well all of the children have settled into this new academic year. The school has been filled with beautiful smiles, loud giggles and constant learning - within the classroom, outside on the pirate ship and in our forests. I really don't think we could have got off on a better start. A special welcome to our newest CRI pupils who started in Reception. Our teachers have been wildly impressed with their behaviour and willingness to try new things. Keep it up!

To all of our families, have a fantastic weekend and we will see you on Monday.

Bosha
Mr O'Shea

Calendar

- Year 1 Curriculum meeting 21/09
- Year 2 Curriculum meeting 22/09
- Reception Curriculum meeting 28/09
