Issue 05

Pic of the week!

This week...

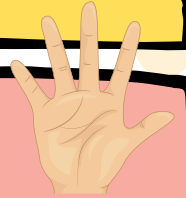

Year 1
celebrating
Space day!

- Reception have been reading the book 'Oi Frog!' and learning rhyming words. We also had a tea party for our class bears - what amazing hosts the children were. We have been continuing to learn our sounds, this week it was 't' and 'p'. In maths, the children sorted objects by their features, well done!
- This week Year 1 has had a wonderful end to their week with their space day. The children have had great fun singing space songs to Mr O'Shea and taking part in lots of space crafts and activities. The children have also been able to make and decorate their own space biscuit. We hope you like them!
- Do you need a new suit of armour? Perhaps Year 2 can persuade you with the adverts they have written, using descriptive language and similes! In Science, Year 2 explored the effects of exercise on the human body, and would like to encourage all families to find ways to keep fit and healthy. The children and staff are all looking forward to our Castle Day and finding out more about how people lived in the past.

Week five

Another jam-packed week for all of the children and staff. On Monday, we had the fire service in school to conduct an assembly with one of our Year 2 classes. The children learnt about; calling 999, common fire hazards, rules to stay away from matches and lighters and what to do in case of a fire - Get out, Stay out, Call the Fire Service out! The remainder of our Year 2 children will have the same assembly the week after next.

Year 1 celebrated their 'Space Day' today - I can not express how impressed all the staff were with the creativity of costumes, bravo! The children spent the day baking space themed cookies, creating their own aliens, splatter painting and even making their own solar systems. Well done year 1.

I have had the pleasure of showing prospective parents around the school for next year's Reception intake. We still have five more tours scheduled, with spaces available so do spread the word to those that may wish to send their child to CRI next year.

Finally, a reminder to parents to check the website regularly - the office staff do a brilliant job of keeping this up to date for your convenience.

Have a great weekend.

Boshea
Mr O'Shea

DIARY DATES

- PTA Doughnut delivery 15/10
- Individual school photos 21/10
- Year 2 castle day 20/10
- End of term 21/10 - collection at the normal time.

a little more...

FOREST SCHOOL

Reminder: On your child's forest school days they must come into school with a pair of wellies (not trainers), along with their normal school shoes to change back into. Dates for forest school can be found on our website.

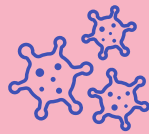

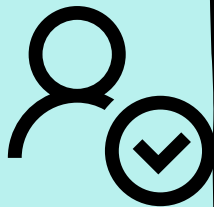

Reminder: Children should only have one small keyring attached to their bookbag, this allows them to fit comfortably in children's trays.

ATTENDANCE

Children who attend school regularly are given the very best opportunity to benefit from the learning in school. To this end we will do all we can to encourage parents/carers to ensure that the children in their care achieve maximum possible attendance and that any problems which prevent full attendance are identified and acted on promptly. It is the parents' responsibility to ensure that their child attends school regularly.

Our attendance policy and additional information regarding school start times and registration can be found on our website. Click the symbol to the right to access this webpage.

NHS

Your child should not come into school if they have any of the following symptoms:

HIGH
TEMPERATURE

NEW
PERSISTENT
COUGH

LOSS OF
SMELL

LOSS OF
TASTE

FLU IMMUNISATIONS

Please complete the e-consent form for your child's flu vaccination at: www.surreyimmunisations.co.uk (our school's unique code/URN number is **SR125053** which you will need to enter into the flu consent form). Please complete the e-consent form by 12 noon on Monday 11th October (extended). This allows time for our nurses to review and contact parents and carers if there are any concerns, prior to the session.

The immunisation will take place on Friday 15th October. More information can be found in your Parentmail.

Race for Life

Many of you will be aware that one of our children sadly lost their mother to cancer in March 2021. Tomorrow they will be participating in Race for Life in memory of her. To donate to this wonderful cause, click anywhere within this box.

PTA

Today is the last day to order your Krispy Kreme doughnuts. It's £1 for a single or £10 for a dozen. There are vegan doughnuts available too.

You can order yours here: <https://www.pta-events.co.uk/cris>

Next week we will have a few Halloween activities to tell you about, so keep an eye out on your WhatsApp groups and Parentmail.
