Issue 14

## Goodbye

We bid a fond farewell to two of our staff who will not be with us in the new year.

Ms Russell, one of our wonderful educational support staff has found herself a new and very exciting job working with animals. Ms Russell has been with us for four years, working with hundreds of children throughout the school. We wish her the very best with this new chapter of her life.

We also say goodbye to our Twelve Fifteen head chef Katrina, who is off to a new larger school. Katrina has worked tirelessly to provide healthy, balanced meals for all of the children who I know enjoy them immensely.

We will have a new head chef join us in January and we will advertise Ms Russell's job over the Christmas period.

## Week fourteen 14

THAT'S A WRAP! After 14 busy and enjoyable weeks, we have made it to the Christmas holidays. I can't thank you all enough for your support with testing, wearing masks and following our covid mitigations. They have thankfully served us well allowing us to go ahead with six stunning performances IN PERSON with all of our children. I've said it before, but genuinely you just can't beat children singing - a true feeling of Christmas. We hope you enjoyed all of the shows. A massive thank you to our dedicated staff who astound me everyday with their commitment and dedication to your children. We are very lucky to have them. This week was full of cheer with Christmas dinners, class parties and festive jumper day. Children have been sent home today with logins to our new e-library (this is stapled to their reading record diary) allowing children to access e-books at their phonic level throughout the break. Please check your ParentMail for instructions.

In the new year we hope to have parent volunteers back into the school. We have successfully gained seven parent volunteers to start after the break. Please continue to check ParentMail, especially during the first week of January as we may need to make adjustments to start/finish times, remote learning or similar, depending on any new guidance that is released during the break.

From me and all of the staff, thank you for the generous gifts and cards, we hope you have the most fantastic winter break with your family and friends.
