

Guidance showing how children should access the Oxford Owl e-Library.

→ Visit www.oxfordowl.co.uk on a web browser/device connected to the internet

→ Click the log in button, within the blue Oxford Owl for School box. Ignore the green log in box.

→ Make sure the 'student' tab is selected, use your child's username and password to log in, this is a card attached to their reading record book.

→ Navigate to the homework tab or button, this will display the books that your child has been set by their teacher.

→ The number of books allocated will vary across year groups and children depending on ability.

→ Press the homework button, select a book, click 'read eBook. Enjoy!

→ **IMPORTANT YEAR 2 FREE READERS**

Some children in year 2 have 'cracked' the phonics code and therefore they are considered a free reader. This means teachers do not need to allocated specific books at your child's phonic ability level. You will know if your child is a free reader, because homework set will be 0 (zero). To access books at your child's leisure, complete the following:

→ Click on the library tiles on the homepage as you login. All of them work with the exception of 'Letters and Sounds' - we are looking into this.

→ Once you are within the chosen library, use the filters to navigate to the most difficult books which are normally towards the bottom of the filtering lists. Enjoy.
