The Infant Informative

Friday 8th July 2022

Issue 37

A massive thank you to the children, staff and parents for attending the most fabulous sports day yesterday. The children were so well-behaved, skilled and competitive, that's what sport is all about. A sincere apology from me regarding the communication. The weather was not looking great and in a bid to give you all as much notice as possible we postponed. A short time later, the field had dried out, the forecast changed and we were in a better position to go ahead with the event. We sent out another message within 5 min of the first, but annoyingly, our ParentMail system took a long time to send these. Thank you for your flexibility and patience. It was reassuring to have parents 'go with the flow' - however, I do understand that it did affect a small number of our families. We live and learn and always endeavour to keep communication strong. A few parents did use this as an opportunity to insist we are a disorganised school via cohort Whatsapp groups. I don't accept this. We have had a solid track record since September, but hiccups do happen and, just as we teach our children, we learn from them. A reminder that these Whatsapp groups are not a forum for parents to vent their frustrations. Please deliver your constructive feedback via our school email address, by phoning us or by setting up an 'in person' meeting with me. All in all, a wonderful day and you should all be immensely proud of the children who took part so passionately and full of laughter and smiles.

Our teachers have worked incredibly hard writing your children's end of year reports. The work involved in writing these reports for every child is mammoth. At least 30 hours plus. I have had the pleasure of reading each and every one of them. They are truly some of the most heart-warming and knowledgeable reports I have ever read. These will be issued to children on Monday 11th July 2022. I hope you enjoy reading them as much I have.

This week we were visited by the police due to dangerous and sometimes selfish parking. Cars across people's drives, cars parked on pavements etc. Please be considerate. These are people's homes and lives. It just isn't fair.

Finally, please see the attendance page below. Surrey have taken a firm stance on attendance which we must adhere to. I hope to see many of you tomorrow for our Summer Fun Day, you can still buy tickets. It will be from 14:00 - 16:00.

Bosher 😊

DIARY DATES

Summer 2022

- 14/06/22 1pm Author Visit Alison Simpson Bohdi the pirate dog ✓
- 15/06/22 Year 2 leavers photos ✓

'What did you do today?'
'Nothing'

That's not true, take a look at this!

Reception Another busy week in Year R! The children were brilliant showing off their sporting skills this week. We are so proud of how all of the children competed in Sports Day. They listened well, supported their fellow team members and tried their very best! This week the key text within class was 'Giraffes Can't Dance' by Giles Andreae. The story is based around a giraffe who can't dance to begin with, however he doesn't give up and tries again to different music and succeeds! We talked about how it's okay to be different and to do things your own way. We discussed the importance of not giving up and remembered our motto....'if you try, try, try, then you can, can, can!.' We also talked about how we should be kind and not laugh at others. The children have written about what they are good at and also taken part in some giraffe crafts this week.

Year 1 Another busy week for year 1 with lots of changes for the children to cope with, but they have all coped well. Our focus for Maths this week was days of the week and months of the year. The children have been learning these throughout the year in context and were able to remember them in order and tried hard to spell them correctly. In English our story focus was 'The Enormous Turnip' where we were encouraging the children to remember to use their suffixes of 'er', 'est', 'ed' and 'ing'. In Art we have been carrying on our theme for this half term of 'At the Seaside'. The children created an ocean collage using different coloured tissue paper. Sports day was a wonderful success. The children had listened well to their instructions and knew exactly what they needed to do at each of the activities. The activities they took part in demonstrated skills that they have been practising this year in their PE lessons. They had a fantastic time and are already looking forward to doing it again next year.

Year 2 The children in Year 2 have been exploring position and direction in their Maths lessons this week, looking at half, quarter and full turns. In Science we have been researching minibeasts using secondary sources. They have been writing non-fiction reports about minibeasts. They have impressed us with their scientific knowledge. In History, Year 2 have been learning about the life of Mary Seacole and her achievements. We are looking forward to a visit next week from Trevor Sterling, Chair of the Mary Seacole Trust. Our week has culminated in two very exciting events. We were so proud of the children's efforts and sportsmanship on Thursday's Sports Day and we ended our week with our visit to Milestones Museum. We hope that the experience of an offsite trip will help the children to prepare for any field trips they may join in their junior schools as well as immersing them in the past for a day!

PTA

SUMMER FUN DAY

The summer fun day is tomorrow! It's from 2pm - 4pm. If you've not yet got your tickets please head over to

www.pta-events.co.uk/cris

Tickets are £2 for adults and £1 per child.

This is also where you can volunteer. So many of you have put yourself forward to help on a stall, which is fantastic, thank you so much. We still need volunteers for 2:30 p.m. onwards, so if you are able to help on a stall please head to the website and put your name down to volunteer.

The summer fun day has been put together by a really small dedicated committee. So a very, very big thank you goes to Bex, Jo, Nicola and Louise.

If you have donated a cake, a bottle, and /or chocolates, thank you so much. Your donations will help to make the event a success.

If you're coming tomorrow, please bring cash only and have lots of fun. We will see you there!

Attendance

Just to remind parents/carers that if they take their children out of school without authority for 5 or more days (which do not have to be consecutive), they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Inclusion Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).

Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 1st September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted. In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that the Local Authority issue Penalty Notices when the absence is not authorised. Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 7 or more unauthorised sessions in the previous 6 school weeks, which may include a pupil arriving late after close of registration. If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Inclusion Officer.

Clubs

Bookings are currently live for all clubs and can be made by contacting the Clubs directly using the details in the flyers sent via Parentmail or on our website
<https://www.crawleyridge.co.uk/clubs>

Monday	Tuesday	Wednesday	Thursday	Friday
