

Dear Parents/Carers,

We are excited to announce that on Friday 4th April, we will be holding an Easter/Spring Bonnet Parade for our Reception children!

We would love for the children to create their very own Easter or Spring bonnet at home with you. This could be a bonnet or a crown, decorated with flowers, chicks, eggs, feathers, or anything else that captures the spirit of spring and Easter. Be as creative as you like!

Please send your child's Easter/Spring bonnet into school on Friday 4th April. Children should wear their school uniform as usual but may wear a brightly coloured t-shirt instead of their school polo.

The parade will begin at 1:15 pm, and we will share more details closer to the time.

As this is also the last day of term before we break up for Easter, please note that school will close at 1:30 pm.

We look forward to seeing all the wonderful creations!

The Reception Team
