Issue 38

## Thank you

Click here to thank a member of staff

When the form opens, you might need to scroll down on the form to see the submit button!

🎉 **That's a Wrap - Issue 38!** 🎉 After 38 wonderful weeks of learning, exploring, playing, and growing... we've reached the end of another fantastic school year! This marks Issue 38 of our weekly newsletter - one for every week of the academic year!

💖 **Thank You, Staff Team** 💖 A huge thank you to our brilliant staff, who work incredibly hard every single day to support and inspire your children. They also go above and beyond to share blurbs and photos for the newsletter each week - giving families a real glimpse into the vibrant life of our school. I'm so grateful to them for everything they do.

👩 **Exciting News from Miss Saunders!** 🥳 We're thrilled to end the year with some very happy news - Miss Saunders is expecting her second child! We are all over the moon for her and know you'll join us in sending your warmest wishes. Miss Saunders will be with us until we break up for Christmas. The school will be working on a plan for the spring and summer terms to ensure continuity and quality of provision for all children during her maternity leave - more information to follow in the autumn.

👋 **Goodbye, Year 2 - We'll Miss You!** 🌈 To our Year 2 leavers - you have been an absolute joy! We are so proud of everything you've achieved and know you'll continue to shine as you move on to junior school. And to the parents and families who are leaving us this year - thank you for your support, kindness and dedication. You've played a vital part in your children's success and helped make our school community stronger.

☀️ **Wishing You a Wonderful Summer** ☀️ Whether you're heading off somewhere exciting or staying close to home, we wish you all the most relaxing and happy summer break. Rest, recharge, and enjoy precious time with your loved ones - we'll see you in September!

Over and out,

Mr O'Shea 😊

### A message from our Assistant Headteacher Miss Saunders

With the summer holidays upon us, I thought these would be a great set of books for our final recommended read of the year. The Say What You See National Trust books are a delightful way to spark curiosity and observation skills in young readers, encouraging them to explore nature and heritage through engaging illustrations and simple prompts.

## DIARY DATES

- Year 1 and Year 2 children (current reception and year 1) return to school on Thursday 4<sup>th</sup> September 2025 @ 08:35
- No PE lessons on Thursday 4<sup>th</sup> & Friday 5<sup>th</sup> September
- New Reception children, please follow your personalised timetable

# This week in early years, we have...

NUR

Our final week has been so much fun! The children have shared their interests and ideas for what they would like to do, and we've enjoyed a week filled with pirates, dinosaurs, unicorns, water play, dolls, cars and so much more! There's been lots of sensory play, including kinetic sand, playdough, and cloud dough. We also made bracelets for ourselves or a friend - working those little fingers while having fun! The children did a fantastic job at our Graduation Assembly on Thursday - thank you to everyone who came along to watch. We are so grateful for your lovely cards and gifts, and we wish you all a fantastic summer with your families!

CMR

We have had a lovely week celebrating our learning from the year and spending time together. Our focus story of the week has been **Giraffes can't Dance**, which has provided us with opportunities to explore genres of music and explore them through dance. Thank you for all your support this year, the children have been amazing and we have really enjoyed watching them grow and flourish over the year. Wishing you all a restful and enjoyable summer.

1

And now, the end is here, it is time to say goodbye and good luck as the classes of 2024-25 move on in their academic journey. It hardly seems possible as I write this that a year has passed and that the children that arrived fresh faced in September are now the worldly wise, school savvy children that are leaving us ready for the challenges they will face in Year 2. A fun packed last week has seen us rehearse and perform our end of year show in which the children did us all really proud. Following that, it was joy to see so many children sharing their learning from across the year in their books and you could see them glowing with pride as they showed their loved ones what they have been up to for the last year. Wednesday for us was our Summer Fun Day where the children were able to do a range of craft activities all linked to the beach, as well as enjoying time playing in the sand and water, as well as having a well-deserved ice lolly. A gentle end to the week saw the children reflecting on their learning and getting ready to move on, sorting through their books to see what would come home and what would follow them on to their new classes. On a personal note, I would like to say thank you to the Year 1 Team for the dedication and devotion they show in ensuring that your children receive the very best learning opportunities every day. They are a credit to our school and a pleasure to work with. Finally, I would like to say thank you to all the families of the children in Year 1. We cannot do the things we do and achieve the things we achieve without your help and support, so thank you. And of course, last but not least- the children. As a year group they have been a joy to teach and a delight to get to know. Thank you for being the individuals that you are and for grasping every learning opportunity we have shared with you this year. You are all AMAZING!!! Have a wonderful summer holiday and see you all back safe and sound in September. Mr Lynch and the Year 1 Team.

We would like to say a big congratulations to all of the children. They have all shown tremendous growth throughout the year and they should be very proud of all they have achieved. We would also like to thank all of the parents that have volunteered to hear readers in class, accompany us on school trips or volunteered at PTA events. Your support is much appreciated. We would also like to thank everyone for the kind and generous gifts and for all the thoughtful messages. It has been a pleasure supporting the children during this small step of their educational journey and we wish them all the best of luck in the future.
