STAFF

A TYPICAL SCHOOL DAY

8.35 -8.45 Arrival and Funky Fingers

8.45 Register

8.55 Assembly (on selected days)

9.15 Carpet time (phonics)

9.30 Teacher led focus activities, free flow child-initiated activities, snack

11.00 Movement and handwriting, story of the week, wash hands

12.00 Lunchtime

1.00 Register & Maths

1.25 Teacher led focus activities and free flow child-initiated activities

2.30 Tidy up, topic input, collect belongings, story time

3.00 Home Time

LUNCH

The Curriculum

Your child will be learning skills and acquiring new knowledge and demonstrating their understanding through 7 areas of learning and development....

Children mostly develop the 3 Prime Areas first:

Personal, Social and Emotional development.

Communication and Language.

Physical Development

As children grow, the prime areas help them to develop in 4 Specific Areas:

Literacy

Mathematics

Understanding the world

Expressive arts and design

EARLY LEARNING GOALS

Communication and Language

Listening, Attention and Understanding

- Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions.
- Make comments about what they have heard and ask questions to clarify their understanding.
- Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.

Speaking

- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.
- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

Understanding the World

Past and Present

- Talk about the lives of the people around them and their roles in society.
- Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class.
- Understand the past through settings, characters and events encountered in books read in class and storytelling.

People, Culture and Communities

- Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps.
- Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class.
- Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.

The Natural World

- Explore the natural world around them, making observations and drawing pictures of animals and plants.
- Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.
- Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Personal, Social and Emotional Development

Self-Regulation

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly.
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate.
- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

Managing Self

- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.
- Explain the reasons for rules, know right from wrong and try to behave accordingly.
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Building Relationships

- Work and play cooperatively and take turns with others.
- Form positive attachments to adults and friendships with peers.
- Show sensitivity to their own and to others' needs.

Expressive Arts and Design

Creating with Materials

- Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.
- Share their creations, explaining the process they have used.
- Make use of props and materials when role playing characters in narratives and stories.

Being Imaginative and Expressive

- Invent, adapt and recount narratives and stories with peers and their teacher.
- Sing a range of well-known nursery rhymes and songs.
- Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.

Mathematics

Number

- Have a deep understanding of number to 10, including the composition of each number.
- Subitise (recognise quantities without counting) up to 5.
- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.

Numerical Patterns

- Verbally count beyond 20, recognising the pattern of the counting system.
- Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.
- Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Physical Development

Gross Motor Skills

- Negotiate space and obstacles safely, with consideration for themselves and others.
- Demonstrate strength, balance and coordination when playing.
- Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

Fine Motor Skills

- Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases.
- Use a range of small tools, including scissors, paintbrushes and cutlery.
- Begin to show accuracy and care when drawing.

Literacy

Comprehension

- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.
- Anticipate (where appropriate) key events in stories.
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.

Word Reading

- Say a sound for each letter in the alphabet and at least 10 digraphs.
- Read words consistent with their phonic knowledge by sound-blending.
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.

Writing

- Write recognisable letters, most of which are correctly formed.
- Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences that can be read by others.

Learning Can Be Messy

Playing outside is so important. I run and jump and get lots of fresh air. Sometimes I might get grass or mud on my clothes.

Using a knife and fork at lunchtime is tricky! Sometimes I get food on my clothes!

I sometimes get pen and paint on my clothes! This is because I am developing creative skills and exploring lots of different ways of making amazing art!

Our mud kitchen is so much fun! I use all my senses, which is so important for my development. It also helps me use my imagination and practise playing with my friends nicely!

Exploring in the water tray is giving me lots of maths and scientific skills! I love pouring, filling and emptying! I usually wear an apron but sometimes my clothes get wet!

Exploring with playdough and other messy play resources like foam or food, helps me to develop fine motor control and build up muscles and coordination in my hands and fingers. I will need these when I learn to write.

When I get messy, I have been showing curiosity, determination, persistence, imagination and confidence!

TRICK BOXTM

READING & ELS

THE READING JOURNEY BEGINS!

- Please read each book with your child more than twice
- Keep the reading book and diary in your child's book bag daily.
- Books are changed weekly if read at least twice and matched to your child's reading level.
- Reading at least 3 times a week (recorded in the diary) earns a gold star.
- Re-reading books helps reinforce learning.
- Reading to your child supports language development and a love of reading.
- Weekly sounds and Harder to Read and Spell (HRS) words will be sent home.
- A sound pronunciation video is available on our website.
- Regular reading is essential for progress—reading is everything!

CLASS BEARS

Elly (Ruby Class)

Moussa (Diamond Class)

FOREST SCHOOL

PLAY OUTSIDE

		
Whatever the weather!	Climb a tree	Grow things
		
Dig in the dirt	Jump in puddles	Cook in a mudpie kitchen
		
Make sandcastles	Take risks	Hunt for bugs

- Please ensure everything is clearly named (including shoes, socks and vests)
- Appropriate clothing must be worn at all times as the children go outside in all weathers
 - - Warm, waterproof coat, hat, scarf, gloves in winter.
 - - Sun hat and sun cream applied before school in summer.
- Spare pair of socks and underwear (named) can be kept at school on children's pegs
- PE day is Tuesday -no earrings/jewellery please on Tuesday, wearing PE kit all day
- Wellies in school (forest and sand pit)
- Please check ParentMail regularly for change/updates
- Please let us know if somebody else is collecting your child and share your password with the adult collecting

- **A book bag in school everyday**
- **Please check daily for letters and bump notes**
- **Please hand in any letters to the adult at the door**
- **Please can all children not use the equipment on the playground before and after school**
- **Please return clothes that have been borrowed due to accidents, washed and within good time as we don't have many spares.**
- **Morning snack- we will provide**
- **Water only in a labelled bottle**
- **Please send in a family photo**

SUPPORT TO HELP

- Independence – coats, jumpers, toileting, finding equipment they need
- Kind Hands
- Grip (scissors and pencils)
- Rhymes/stories
- Home Learning (phonics, reading, colouring challenges, maths, games, puzzles)
- Talk talk talk

AND FINALLY...

WE ARE LOOKING FORWARD TO
AN EXCITING FILLED YEAR!

“every child is unique and
they learn and develop at
different rates and in
different ways”

Beverley Hughes, Children's Minister

MEET THE PTA
