

Calling all Year 1 Astronauts and Aliens!

**We are planning a special “Day in Space” on
Friday 2nd October 2026.**

**Your mission is to dress up in a Space themed costume,
ready to enjoy some “out of this world” activities!**

**You could be a spaceman for the day, an alien, a scientist
from mission control or even the stars in the sky...**

**(Please do not create a large costume as your child will be
in it all day. You could adapt and stick on stars, planets
etc to a plain T-shirt if you like.)**

Parents are also invited to join in the Space Day fun.

**Please arrive at school at 14:30 on Friday 2nd October 2026
to find out what our budding astronauts have been doing.**

**We’ll see you on the launch pad at mission control
(the school hall) ready for blast off!!!**
