Dear parents and carers,

It is with great pleasure that I write to you to give you more details of our upcoming

Outdoor Learning Day on Wednesday 4th November 2026

The theme for the day is "Bonfire Night" with each of the six class teachers leading an outdoor learning activity. These will include:

Cracking the Firework Code

Brilliant Bonfires

Spectacular Sparklers

Fantastic Fireworks

Hibernating Heroes

Fearsome Faces

Over the course of the morning each of the six classes will experience each of the 6 activities, rotating around the school grounds.

Spending time outdoors has numerous, well documented benefits, including boosting positivity, improving wellbeing and inspiring and engaging learners who otherwise can find their school experience challenging.

The children should come to school dressed in their PE kit (Year 1 will have PE as usual in the afternoon) or other suitable outdoor clothing. Wellies are optional, but a pair of shoes or trainers that are ok getting muddy would be a good idea. As it is an Outdoor Learning Day, we will be getting outside as much as we can, even if the weather is poor, so please ensure your child has a waterproof jacket as well.

In the afternoon the children will return to their own classes where they will continue their outdoor learning fun with their own teachers.

We are really looking forward to the day and apologise now if your child returns smelling of smoke and covered in mud- but that will just show what a fantastic time they will have had.

Thank you in advance for your ongoing support.

Kindest regards,

Seamus Lynch

Outdoor Learning Lead
