Supplementary Information Form – Applications under Criterion 4:
Children and parent(s)/carer(s) who live within the parish boundary of St Marks and whose parents regularly attend/worship at St Marks.

Applicants who wish to be considered for priority under the criterion of regular worshippers at St Mark's Church must complete this Supplementary Information Form in addition to the Local Authority application form and forward the fully completed form for the Headteacher and Governors Admissions Committee to consider.

- If the application is for Reception in September, this form must be submitted to the Admissions Officer by 15th January. Any forms submitted after this date may not be considered until after the national offer day.
- If the application is for In-Year admission at any other time, this form must be submitted to the Admissions Officer at the same time as submitting the Local Authority application.

'Regular' means attendance at church by the child and at least one parent/carer 2 out of every 4 weeks excluding family holidays, over a period of at least one year immediately preceding the date of application.

Families who have recently moved into the Parish must provide evidence of the same pattern of attendance from their previous church.

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance, will only apply to the period when the church or alternative premises have been available for public worship.
