1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend. Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children who have a parent who is critical to the COVID-19 response and cannot be safely cared for at home.

From the beginning of September 2020, the Government expectation is that **all** pupils should attend school as normal.

As far as is reasonably possible Crawley Ridge Infant School, will take a whole institution approach to Safeguarding. This will allow us to satisfy ourselves that any new policies and processes in response to COVID-19 are not weakening our approach to safeguarding or undermining our Safeguarding and Child Protection policy.

This addendum of the Crawley Ridge Infant School Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

2. Key contacts

Role	Name	Phone	email
Designated Safeguarding Lead (DSL)/ Hedteacher	Elaine Carmichael	01276 27546	dsl@cri.tamat.org.uk head@cri.tamat.org.uk
Deputy Designated safeguarding leads (DDSL)	Kim Berry Susan Hope	01276 27546 01276 27546	dsl@cri.tamat.org.uk dsl@cri.tamat.org.uk
Chair of Local Academy Board of Governors	Alex Wood		chair@cri.tamat.org.uk
Safeguarding governor/trustee	Dermot Flynn		dflynn@cri.tamat.org.uk
Online Safety Lead	Amy McDermott	01276 27546	school@cri.tamat.org.uk

3. Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with Education, Health and Care Plans (EHCPs).

Those who have a social worker include children who are subject to a Child Protection Plan, a Child in Need Plan and those who are looked after by the Local Authority.

Those with an Education Health & Care Plan (EHCP) will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHCPs can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

The Headteachers and Designated Safeguarding Lead (and Deputy Designated Safeguarding Leads) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Crawley Ridge Infant School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Elaine Carmichael.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk and/or there is a formal agreement with the Social Worker. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Crawley Ridge Infant School will explore the reasons for this directly with the parent. We as a school will ensure that all professionals involved with these vulnerable children, (e.g. social workers, SEND case workers, Early Help worker etc) are fully informed around the current attendance of the child (attending school or not) and if not attending school the arrangements that we have put in place around safeguarding this child.

Where parents are concerned about the risk of the child contracting COVID19, Crawley Ridge Infant School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Crawley Ridge Infant School will encourage our vulnerable children and young people to attend a school (including remotely, should the need arise for a full or partial closure of school.)

4. Attendance monitoring

The school will monitor the attendance of all pupils closely. An attendance return is submitted daily to the DfE. There is a fine balance between ensuring that children attend school wherever possible, and taking adequate precautions to minimise the possibility of a COVID 19 outbreak which could lead to closures of some "Bubbles".

All children, including vulnerable children are required to attend school every day including Looked After Children, children subject to a Child Protection Plan and children subject to a Child In Need Plan.

If a vulnerable child that is in this cohort is absent from school, we will follow the established local “absent from school” reporting mechanism for vulnerable children.

5. Designated Safeguarding Lead

Crawley Ridge Infant School has a Designated Safeguarding Lead (DSL) and two Deputy DSLs.

The Designated Safeguarding Lead is: Elaine Carmichael (Headteacher)

The Deputy Designated Safeguarding Leads are: Kim Berry and Susan Hope.

A member of the DSL team will always be available during school hours. The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a designated senior member of staff will assume responsibility for co-ordinating safeguarding on site.

This might include liaising with the offsite DSL (or deputy) and as required liaising with children’s social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

Staff will be made aware when this becomes necessary, and how they can approach the designated member of senior staff.

It is important that all our staff and volunteers have access to a trained DSL (or deputy). All staff have completed Safeguarding training updates (September 2020). They are aware who our DSL and DDSLs are and how to contact them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, in person, or remotely.

Refer to [guidance Changes to Child Protection Conferences](#)

Home Schools and Hub School DSL Safeguarding Responsibilities

(N.B Home School: School which pupil normally attends. Hub School: School which is physically open and children from other schools are attending.)

The Home School maintains responsibility for safeguarding children on roll.

The Home School must ensure that the hub school has the contact details for their DSL. Each Home School DSL should have the contact details of the hub school DSL.

Where there is a need to make a Request for Support to children's social care or to contact an allocated social worker, the home school DSL retains responsibility for these tasks with support from the hub school.

It is important for the Home School to provide any relevant safeguarding information relating to individual pupils to the Hub School DSL and other staff on a need to know basis.

What information does the Hub School need to provide to the Home School?

The Hub School must provide a daily record of attendance to the home school.

What information does the Home School have to provide to the Hub School?

Confirmation from the home school headteacher listing the staff that will be deployed and confirming that the relevant safer recruitment processes and checks have been carried out (DBS etc).

Operation Encompass Notifications from the police received by a DSL of a Home School about a child(ren) attending a Hub School need to be shared with the Hub School DSL.

6. Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy. This includes making a report via the Children's Single Point of Access (C-SPA).

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should continue to follow our normal procedures and alert the headteacher immediately.

In dealing with allegations or concerns against an adult, staff must:

Report any concerns about the conduct of any member of staff or volunteer to the Headteacher immediately.

If an allegation is made against the Headteacher, the concerns need to be raised with the Chair of Governor as soon as possible. If the Chair of Governors is not available, then the LADO should be contacted directly.

There may be situations when the Headteacher or Chair of Governors will want to involve the police immediately if the person is deemed to be an immediate risk to children or there is evidence of a possible criminal offence.

Once an allegation has been received by the Headteacher or Chair of Governors they will contact the LADO on 0300123 1650 option 3 LADO Email: LADO@surreycc.gov.uk immediately and before taking any action or investigation.

Following consultation and advice from the LADO inform the parents of the allegation unless there is a good reason not to

In liaison the LADO, the school will determine how to proceed and if necessary, the LADO will refer the matter to Children's Social Care and/or the police.

If the matter is investigated internally, the LADO will advise the school to seek guidance from local authority colleagues in following procedures set out in part 4 of 'Keeping Children Safe in Education' (2019) and the SSCP procedures.

7. Safeguarding Training and induction

All DSL training has been suspended by Surrey County Council Education Safeguarding Team and it is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter our School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that: -

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy (which will be similar to their current setting if a Surrey school), confirmation of local processes and confirmation of DSL arrangements.

8. Safer recruitment/ volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Crawley Ridge Infant School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

In the event of our School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Crawley Ridge Infant School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE, in line with advice from the LADO where appropriate.

Crawley Ridge Infant School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher Misconduct Advice' for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National Emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Crawley Ridge Infant School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE. The SCR can also,

be used to log details of any risk assessments carried out on volunteers and staff on loan from elsewhere.

9. Online safety in schools and colleges

Crawley Ridge Infant School will continue to provide a safe environment, including online. This includes the use of appropriate filters and online monitoring systems.

Where children are using computers in school, appropriate supervision will be in place.

10. Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate, referrals should still be made to children's social care and if required, the police.

Crawley Ridge Infant School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- Staff and children must wear suitable clothing, as should anyone else in the household
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred
- The live class should be recorded so that if any issues were to arise, the video can be reviewed
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day
- Language must be professional and appropriate, including any family members in the background

- Staff must only use platforms agreed with Crawley Ridge Infant School to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held.

All staff at Crawley Ridge Infant School will be reminded of the following policies:

- Staff Code of Conduct
- Acceptable Use of IT Agreement (Appendix 1 of our Online Safety Policy)
- School guidance on the use of Social Media (Appendix 1 of our Online Safety Policy)

11. Supporting children not in school

Crawley Ridge Infant School is committed to ensuring the safety and wellbeing of all its pupils.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person should they be absent from school.

The communication plans may include phone contact or email. Other appropriate remote contact methods may be considered and should be recorded. Staff should not make home visits in order to respect social distancing and minimise the potential for infection.

Crawley Ridge Infant School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Crawley Ridge Infant School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers.

Staff at our school need to be aware of this in setting expectations of pupils' work which is to be done remotely.

Crawley Ridge Infant School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

12. Supporting children in school

Crawley Ridge Infant School is committed to ensuring the safety and wellbeing of all its students.

Crawley Ridge Infant School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Crawley Ridge Infant School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Crawley Ridge Infant School will ensure that where we care for children of critical workers and vulnerable children on site, appropriate support is in place for them.

13. Peer on Peer Abuse

Crawley Ridge Infant School recognises that during any full or partial school closures, a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded, and appropriate referrals made.

14. Medication

Essential named medication held in school for children as appropriate, and as agreed with parents and carers. In the event of a full or partial lockdown, parents may be asked to collect any named medication to help ensure they have adequate supply of their medication and to reduce requests to GPs for further supplies.

Review

This appendix will be reviewed regularly throughout the period of school closures, taking account of updates from the DfE, Surrey Local Authority Safeguarding Children Partnership, Surrey's Social Care and Health Department, and the Surrey Virtual School.

All staff will be sent this additional policy to read and they will be asked to sign to say they have read and understood the content.

If staff are working from home, they will be asked to email confirming the above.
