Crawley Ridge Infant School – Consultation on our proposed 2022/2023 Admission Arrangements

Dear Parents/Carers, local schools, pre-school providers and any other interested stakeholders,

It is a statutory DfE requirement to consult with potentially interested parties when a 'material' change to admission arrangements is proposed. We therefore wish to draw your attention to the following proposal:

- To remove our current criterion 5 – 'Children for whom the school is the nearest to their home address'

Rationale: In accordance with determination ADA3589 by the Office of the Schools' Adjudicator on an unrelated matter at another Surrey school, which uses the same phrase, we propose to remove the criterion altogether, as it was adjudged to be potentially confusing for parents. Having researched admissions in that category over the last few years, we do not believe that this proposal would disadvantage any child, as all would have been admitted within the final criterion 'Any other children', on distance from the school. The admission arrangements can be viewed on our school website

We will be consulting for a period of 6 weeks from 16th November 2020 to 13th January 2021.

You are invited to submit any comments regarding the arrangements to me at school@cri.tamat.org.uk via email, marked 'Admissions Consultation 2022' or by post using the above address. After the closing date, responses will be collated and considered by the Governing Body. Once determined, the final admissions arrangements will be placed on Surrey County Council's and the School's websites.

Yours faithfully,

Elaine Carmichael
Headteacher
